

30.3.20

Hi to Kung Fu Wushu NSW members

This is our Sixth information update on the Covid 19 virus.

OUTDOOR TRAINING

Effective from 12am Tuesday the outdoor training laws have changed. New restrictions now only allow two people to gather in public. This effectively removes the Outdoor Training option from our industry.

The new Industry Guidelines for Outdoor Training have been released (attached), please keep these in mind as the transition back will probably be progressive as have the moves towards shutdown.

ONLINE TRAINING

The Online Training Guidelines have also been released (attached).

I note some in our industry are making this work – good to see.

MEDIA

Please be aware that stories on social media are not news.

Please be aware that stories, from any media outlet, that talk about what could or might happen are not news – they are opinions.

A recent example of media inaction is the Tom Hanks story. Most will note that the A list Hollywood actor Tom Hanks and his wife, Rita Wilson, contracted the Covid 19 virus – hard to miss it as it was a front page/lead news story on all networks. Last week Tom Hanks and Rita Wilson quietly left Australia, fully recovered. The story received minimal coverage. The positive story of their rapid and complete recovery would have done a lot of good if given the same coverage as when they contracted the virus – sadly that did not occur.
