

7.4.20

Hi to Kung Fu Wushu NSW members

This is our Seventh information update on the Covid 19 virus.

Firstly some members have been sending these 'Industry Bulletins' to their student members with good results. Please feel free to send these to your students as it is a good way to stay in touch and to appraise them of what is happening. I am now dealing with a steady flow of questions – my approach is to research and then answer – two such 'member questions' are answered in this Bulletin.

STATE GOVERNMENT SMALL BUSINESS SUPPORT

All State and Territory Governments have either announced or will shortly announce direct monetary support for small businesses. As an example I have attached the NSW Government 'Small Business Relief Package'.

VICTORIAN SPORT SUPPORT LINK

Vicsport has started a dedicated web page to provide all relevant information to the sports industry here <<https://vicsport.us8.list-manage.com/track/click?u=43179f7e88fe27fa19d4a8e51&id=e65d5d6129&e=4d66120a56>> .

It provides information that is, in part, Victoria specific but also much of it applies to the broader Australian sporting community

JOB KEEPER

Following the Prime Minister's announcement last evening find attached details of the JOBKEEPER PAYMENT together Information for employers and employees.

The below link may also be of assistance <https://treasury.gov.au/coronavirus/resources>

Information is also attached (Job Keeper)

ONLINE VIRTUAL TRAINING

The final Online Virtual Training Guidelines has been attached.

IWUF JUDGES & COACHES COURSE

The KWA/IWUF Judges Course) originally set for late June in Melbourne) has been rescheduled for the 1-6th of October – still in Melbourne. The World SANDA Cup still remains at 26-30 November.

QUESTIONS ANSWERED

I will be answering the questions I am getting from our members, in this Bulletin I will deal with two as many members have asked about the Malaria drug progress and also about Facemasks

CHLOROQUINE

Have had quite a few members asking about this so I have attached the properly referenced information, I note then US Government has now stockpiled over 30million doses of this drug.
